ROLL	
NAME	

Learning outcome: Students will be able to perform different operations on Linked List.

ASSIGNMENT : v

Sl. No	Program Listing	Date	Signature
1	Write a menu driven program to perform various operations of singly linked list..		
2	Write a menu driven program to perform various operations of circular linked list.		
3	Write a menu driven program to perform various operations of doubly linked list.		
4	Write a program to perform addition of two polynomials using linked list.		
5	Write a program to implement stack using linked list.		
6	Write a program to implement queue using linked list.
